Make a Gift & Receive Income For Life

Do you have an asset, such as securities or real estate, that you would like to give to Lancaster Bible College, but you need the income the property provides? Or do you have an asset from which you would like to receive more income, but you hesitate to sell it because taxes on your capital gain would take a big bite out of your proceeds. If so, you should consider donating your asset to a charitable remainder unitrust.

With a charitable remainder unitrust, you can make a gift to Lancaster Bible College to support and receive lifetime income. Because a charitable remainder unitrust is tax-exempt, there is no capital gains tax when the trust receives your appreciated assets or when it sells them. The trust can put the full fair market value of your asset to work first for you and ultimately for the Lancaster Bible College. In addition, you receive an income tax charitable deduction for a portion of the trust amount which can be used immediately to save on income taxes.
How a charitable remainder unitrust works:

• You transfer assets to a trust.

• You choose a trustee to oversee the operation of your trust or serve in that role yourself. Lancaster Bible College is happy to serve as trustee if you fund your trust with assets worth $100,000 or more and you name Lancaster Bible College the beneficiary of at least 10% of what’s left in the trust when it ends.

• You choose the income beneficiaries of the trust. It can be you, you and your spouse, loved ones, devoted employees, or anyone else you wish. The trustee manages the trust assets and pays income each year to these beneficiaries.

• Each year, your unitrust will distribute a fixed percentage of its current value. If your unitrust’s value goes up from one year to the next, the payments will increase proportionally. Likewise, if your unitrust’s value goes down, the payment amount will also go down. You choose the percentage that your unitrust must pay each year to its income beneficiaries. It may be to your advantage to choose a relatively low payment percentage so that your unitrust’s assets have the best chance to grow. If the value of your unitrust grows, so will its payments. A payment rate of 5% to 6% is typical.

• When the trust term ends, usually upon the passing of the income beneficiaries, its remaining assets go to Lancaster Bible College for use as you directed.

EXAMPLE:

Audrey James is 76 years old and her husband John is 75. They are looking to receive greater income from their investments without paying a big capital gains tax. The James fund a 5% charitable remainder unitrust funded with $400,000 in stocks plus $100,000 from a money market fund. They paid a total of $75,000 for the stocks, which currently produce about 2% in dividends each year. Their money market fund has been earning about 2% interest annually.
The James will receive $25,000 in payments in the first year of their unitrust, significantly increasing the income they had been receiving from these assets. If the income and appreciation of the trust’s investments, net of costs and fees, total 7% annually, their payments will grow to over $33,647/year* in 16 years. They will receive an immediate income tax charitable deduction of about $249,950**. The James’ trustee will be able to sell their stock immediately in order to diversify their unitrust’s investments without paying any capital gains tax. Assuming its investments earn a 7% net annual return on the unitrust’s investments, over $686,393* will be left in the James’ unitrust to support Lancaster Bible College when their unitrust terminates.

*The future payment amounts and principal amount remaining for Lancaster Bible College will be lower if the James’ unitrust earns less than 7% annually.
**The James’ income tax charitable deduction will vary slightly depending on the timing of their gift.
